REQUEST FOR CORRECTED FILING RECEIPT

The Assistant Commissioner for Patents
Application Processing Division
Customer Correction Branch
Washington, D.C. 20231

Sir:

On the Filing Receipt that we have received for the above-referenced application only the name and address of the first inventor is listed when, in fact, there is a total of three inventors. Additionally, the first inventor's last name is misspelled.

A copy of the incorrect Filing Receipt is enclosed for the convenience of the Patent Office. On this Filing Receipt, Applicants' Attorney has corrected the

Applicants to include "Mina Yaar and Mark Eller", and to correct the spelling of "Gilchrest".

Also, the Continuing Data As Claimed by Applicant section on the first line the CIP of 08/793,683 is incorrectly noted as having a filing date of 04/03/97 when the correct filing date is in fact "08/30/95". A copy of page 1, of the originally filed Specification, with this correct information is enclosed.

Please revise the Patent Office records to indicate the correct inventorship for this application and the correct continuing data as claimed by the application and issue a Corrected Filing Receipt showing that these corrections have been made.

Respectfully submitted,

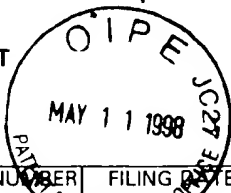

Doreen M. Hogle
